6th INTERNATIONAL WORKSHOP ON HIGHER EDUCATION

University of Vic - Central University of Catalonia

The **International Workshop on Higher Education** returns to UVic-UCC between 13 and 17 June 2016. This is an opportunity to enhance the international outlook of the University, promoting partnerships with prestigious academic and research centres around the world.

For this 6th annual International Workshop on Higher Education (IWHE) we will be organising various forums for discussion of the research carried out at UVic-UCC, with a view to establishing partnerships and proposing joint research projects with national and international organisations, and enhancing the international dimension of the research carried out at our university.

The IWHE is of interest to researchers, doctoral students, university teachers in general and leaders of businesses and public service organisations.

The UVic-UCC International Workshop on Higher Education is sponsored by "la Caixa" Foundation Welfare Projects.
